

Title comes here and no need to capitalize each word

Your, Name

Here comes the abstract. We kindly ask you to ..

- .. use this template, and use default formatting,
- ... not introduce macros, and please use standard commands,
- ... feel free to use formulas, figures, citations as you like,
- ... mention your name (who will present it) above and mention your coauthors in the abstract text below,
- ... mention your support text at the end of your abstract (not in footnote, etc).

This is a joint research with X.Y. (TU Berlin) and Z. W. (SJTU).
