

Prof. Gideon Grader

Professor Gideon S. Grader got his BSc at UC Berkeley in 1982 and his PhD at Caltech in 1986 (both in CA, USA). He then joined AT&T Bell Laboratories (NJ, USA) until 1990. He has been a member of the Technion's Faculty of Chemical Engineering since 1990. During 2007-2015, he headed the Nancy and Stephen Grand Technion Energy Program (GTEP). He initiated the building of central energy labs on campus and created an interdisciplinary energy graduate program on campus. Since 2016 he is the Dean of the Chemical Engineering department.
