

Hans Henrik Knoop

*Positive Psychology Research Unit, Aarhus University
North West University, South Africa*

Hans Henrik Knoop is Associate Professor with distinction, Director of the Positive Psychology Research Unit at Aarhus University, Denmark, and Extraordinary Professor, North West University, South Africa. He was the President of ENPP from 2010-2014, and on the IPPA Board of Directors as founding member since 2009. In 2010 he was the host of the 5th ECPP in Copenhagen. From 2007-2011 he was Research Director at the Universe Research Lab in Denmark heading a team of researchers focusing on combined engagement, excellence and ethics in education.

His work is focused on flourishing in education, work, and society with a strong interdisciplinary approach. His research within positive psychology has involved thousands of educators and leaders and currently half a million Danish pupils. At Aarhus University he co-directs the Master Program of Positive Psychology with almost 500 students enrolled since 2011.

He has authored and co-authored more than 180 publications including 9 books, has delivered more than thousand invited talks around the world, and is a frequent commentator in newspapers, radio and television on matters of learning, creativity and positive psychology.
