

Nanna Paarup

Nanna Paarup, learning consultant, author, educator & coach. She has a Master degree in Positive Psychology and a Master of Science in Economics and Business Administration. She is consulting and educating teachers and coaching teams in the educational area. Her focus is on positive psychology in learning processes. She is an author of several books on Classroom Management, and is also editor of the Danish Journal "Kognition & Pædagogik". Early spring 2018 the book "The Battle against Boredom" is released – a book she co-authored with Mette Marie Ledertoug, Nadia Holmgren and Louise Tidmand. She's part of the team arranging the preconference on Positive Education in Budapest.
