

Tímea Magyaródi

Eötvös Loránd University

Tímea Magyaródi, PhD is a senior lecturer at the Department of Personality and Health Psychology (Institute of Psychology) at Eötvös Loránd University, in Budapest, Hungary. She teaches the theory and practice of research methods in Hungarian and English, Personality Psychology, and Autogenic training as a personal experience for the students. In her PhD research, she studied flow experience in interactive activities.

She is a member of the Positive Psychological Research Group, does studies about flow (with a highlighted focus on interactive activities), well-being and their personality correlations and different intervention techniques. During her practical work as a psychologist, she uses the techniques and practices of positive psychology, relaxation techniques and symbol therapy.

At the ECPP2018, she is the secretary of the Local Organizing Committee.
