

Wilmar B. Schaufeli

Utrecht University

Wilmar B. Schaufeli is full professor of Work and Organizational Psychology at Utrecht University, The Netherlands, and distinguished research professor at KU Leuven, Belgium (profile page: www.wilmarschaufeli.nl). In addition, he is visiting professor at Loughborough Business School, UK, and Jaume I Universitat, Castellon, Spain. He received his PhD from Groningen University and was assistant professor of clinical psychology at that university before he became associate professor for work and organizational psychology at Nijmegen University. Initially, his research interest was on job stress and burnout, but since the turn of the century he shifted towards positive occupational health psychology, and focused particularly on work engagement. He is '[Highly Cited Researcher](#)' who ranks among the top 1% of researchers in the field of psychology/psychiatry. Dr. Schaufeli is a fellow of the European Academy of Occupational Health Psychology, a licensed occupational health psychologist, and is part-time organizational consultant (www.3ihc.nl).
