

IUVSTA-ELSEVIER STUDENT AWARD / ICTF-JVC 2020, Budapest, Hungary

Announcement

The purpose of the award is to give partial financial support to postgraduate research students within 7 years of obtaining their first degree at the start of the conference to help them to attend ICTF-JVC2020 (IUVSTA) conference. The leading motive of this opportunity is to provide support for the students who do not have sufficient means to attend the conference.

The IUVSTA-Elsevier Student Award covers the registration fee (110 EUR) for 18 students. The Awardee must be registered participant of the conference and have an accepted abstract for oral or poster presentation.

Requirements for application:

- (1) application form;
- (2) signed statement (headed) letter of the Supervisor;
- (3) scanned passport copy of the Applicant;
- (4) copy of degree certificate of the Applicant;
- (5) abstract of the planned conference contribution
(which is also should be submitted by the normal submission procedure of the conference [<https://e-conf.com/ictf-jvc2020/registration/>], so, the Applicant must also be registered to ICTF-JVC2020);
- (6) Curriculum Vitae (focusing on short description of Her/His studies and scientific activity).

The documents are to be submitted to the Chair of ICTF-JVC2020 until **15 October 2020** by e-mail: ictf-jvc@akcongress.com / in Subject: "IUVSTA-Elsevier Student Award"/

All documents should be unified in **one** PDF document and named as:
"IESA-application-fullname.pdf "

After the Organizers inform the Applicant on the acceptance of Her/His application successful Applicant must confirm Her/His attendance within 2 weeks. When attendance is not confirmed, the award will be re-allocated.
